Central Park Collection

Series # 113

CHAPS Central Park luggage supports your every need for leisure or business travel. The interiors offer organization, while all exterior components are designed with good looks and ease of use. The handles, zippers and other hardware are custom designed for ergonomics and comfort. This luggage glides smoothly on metal ball bearing wheels. The handles are lightweight and durable. The body of has molded sides for a contemporary look that is both strong and lightweight.

Features:

- Four wheel spinner system allows for 360° effortless movement.
- Each piece is fully lined with an attractive plaid and has side pockets to hold your essentials.
- All upright suitcases expand 2.5" resulting in a higher volume of packing capacity.
- Custom logo and hardware in a rustic antique brass finish add to the classic look.

Super durable polyester construction provides carefree and long lasting use.

Color:

- Brown
