Varsity Elite Collection

Series # 110

CHAPS Varsity Elite luggage supports your every need for leisure or business travel. The interiors offer organization, while all exterior components are designed with good looks and ease of use. The handles, zippers and other hardware are custom designed for ergonomics and comfort. This luggage glides smoothly on metal ball bearing wheels. The handles are lightweight and durable. The body of has molded sides for a contemporary look that is both strong and lightweight.

Features:

- Lightweight frame and molded side gussets are extremely strong and weigh far less than conventional construction.
- Super durable fabric for superior wear resistance and long term ease of maintenance.
- All upright suitcases expand 2.5" resulting in a higher volume of packing capacity.
- Back runners and reinforced kick plate for maximum durability when traveling.
- Smooth gliding metal ball-bearing six spoke mag wheels which roll effortlessly over a wide range of surfaces.
- Soft flexible zipper pulls make opening and closing easier and more comfortable. Nylon coil zippers are extremely resilient.

Colors:

- Navy/Orange
- Grey/Yellow
